

Castle Howard Field Plan

- Please ensure you close the gates behind you
- Please only park in green areas
- Do not park on both sides of the road as it puts horses and visitors in danger
- Please park lorries in direction of the arrows i.e. front in
- Please clear up all poo and tail tape and take it home with you

Directions for horse lorries:

Take the A64 from York and take the first turning to Malton. This then takes you back under the A64 for approximately 1 mile when you will see the Talbot on your right hand side. On the left hand side you will see a war memorial, turn left just before it up Castle Howard Road. This will take you all the way to Castle Howard. If you have any queries, please contact Tony.
